Proverbs 29:18 in the Amplified Bible tells us that where there is no redemptive revelation of God, the people perish. God has always worked with man through blood covenant. Apostasy: Establishing Our Eternal Security by Dr. Jim Kaseman

In the New Testament, the Greek term for apostasy literally means "standing away" from God and refers to abandoning what one has previously believed and experienced in Christ. It involves a disowning of Christ and a departure from the body of Christ and the Christian faith.

God in His sovereignty, when He created man, gave him a free will to choose death or life. Apostasy is the consequence of a deliberate and volitional choice to "depart" from the living God (Hebrews 3:12).

The Bible issues urgent warnings about this grave possibility, designed both to alert us to the deadly danger of abandoning our union with Christ and to motivate us to persevere in faith and obedience. The divine purpose of those warning passages must not be weakened by the belief that states, "The warnings are real, but the possibility of actual apostasy is not." Rather, we must see those warnings as speaking to the reality of our probationary period on this earth, and we should regard them with alarm if we want to be saved in the end.
